With the beautiful Witterings coastline and Chichester Harbour close by, this is a home that offers both an enviable lifestyle and exceptional versatility.

The property welcomes you through a spacious entrance hallway, immediately giving a sense of the generous proportions found throughout. At the heart of the main home is a charming lounge, complete with a cosy log burner, creating a warm and inviting space in which to relax and unwind.

The impressive fitted kitchen is ideally suited to modern family life and entertaining, featuring a characterful wood burner and opening seamlessly into a substantial additional entertaining area. This wonderful space provides plenty of room for dining, socialising and enjoying time with family and friends, with direct access onto the rear garden making it particularly well suited to summer entertaining.

The principal bedroom is a generous and comfortable retreat, benefiting from its own ensuite bathroom, while the second bedroom enjoys fitted wardrobes and a lovely outlook over the rear garden. The annexe can be accessed independently via its own private front door or from the main house via the sun room. Internally, it provides a spacious living room, fitted kitchen, bathroom and double bedroom, creating a comfortable and practical independent living space.

The extensive and beautifully established rear garden is undoubtedly another major attraction. Thoughtfully landscaped and mature, the garden offers a wonderful combination of privacy, space and tranquillity, with a number of seating areas positioned to make the most of both sunshine and shade throughout the day. A private orchard adds further charm, while the generous grounds provide ample opportunity for keen gardeners to enjoy and develop the space further.

To the front, a substantial gravel driveway provides parking for several vehicles, complemented by additional garden areas and established vegetable patches – perfect for those with green fingers or anyone looking to embrace a more sustainable lifestyle.

Combining character, space, versatility and beautifully established grounds, St Aubins represents a rare opportunity to acquire a truly special home in this highly sought-after part of Chichester. The substantial and usable plot, flexible accommodation and independent annexe are complemented by an enviable location, with the stunning Witterings beaches and Chichester Harbour both within easy reach.
